Passive Car Kit for HYTERA radios PD685, PD785, PT580 and PD795EX. Usable with batteries BL1504, BL1807, BL1806, BL2006, BL1807EX, BL2008, BL2010, BL2503 and BL3001.

General Description

The passive Car Kit is small and compact. It provides the functions of fast charge and trickle charge for your radio in the vehicle. The active function is displayed by the two LED. The

Car Kit is connected to the on-board power supply. We recommend to use an original belt clip for a save latch.

Advice

The use of EX batteries in our product is technically possible, but may not be desired by the radio manufacturer. The manufacturer's specifications are decisive here.
